SENIORS

Brenda spreads the Christmas spirit.

Lisa carefully follows directions.

Oh no — my nose!!

Just not another pretty face.

Who says I'm off beat?

What a smile!

What do you mean the music stopped?

Our time has come.
Our place of familiarity
and comfort, we must
now leave. This I
believe, is the first
of many steps we must
take, to live, to
share, to love, and
most of all —
TO GROW.

Told ya this class was exciting.

Darn!

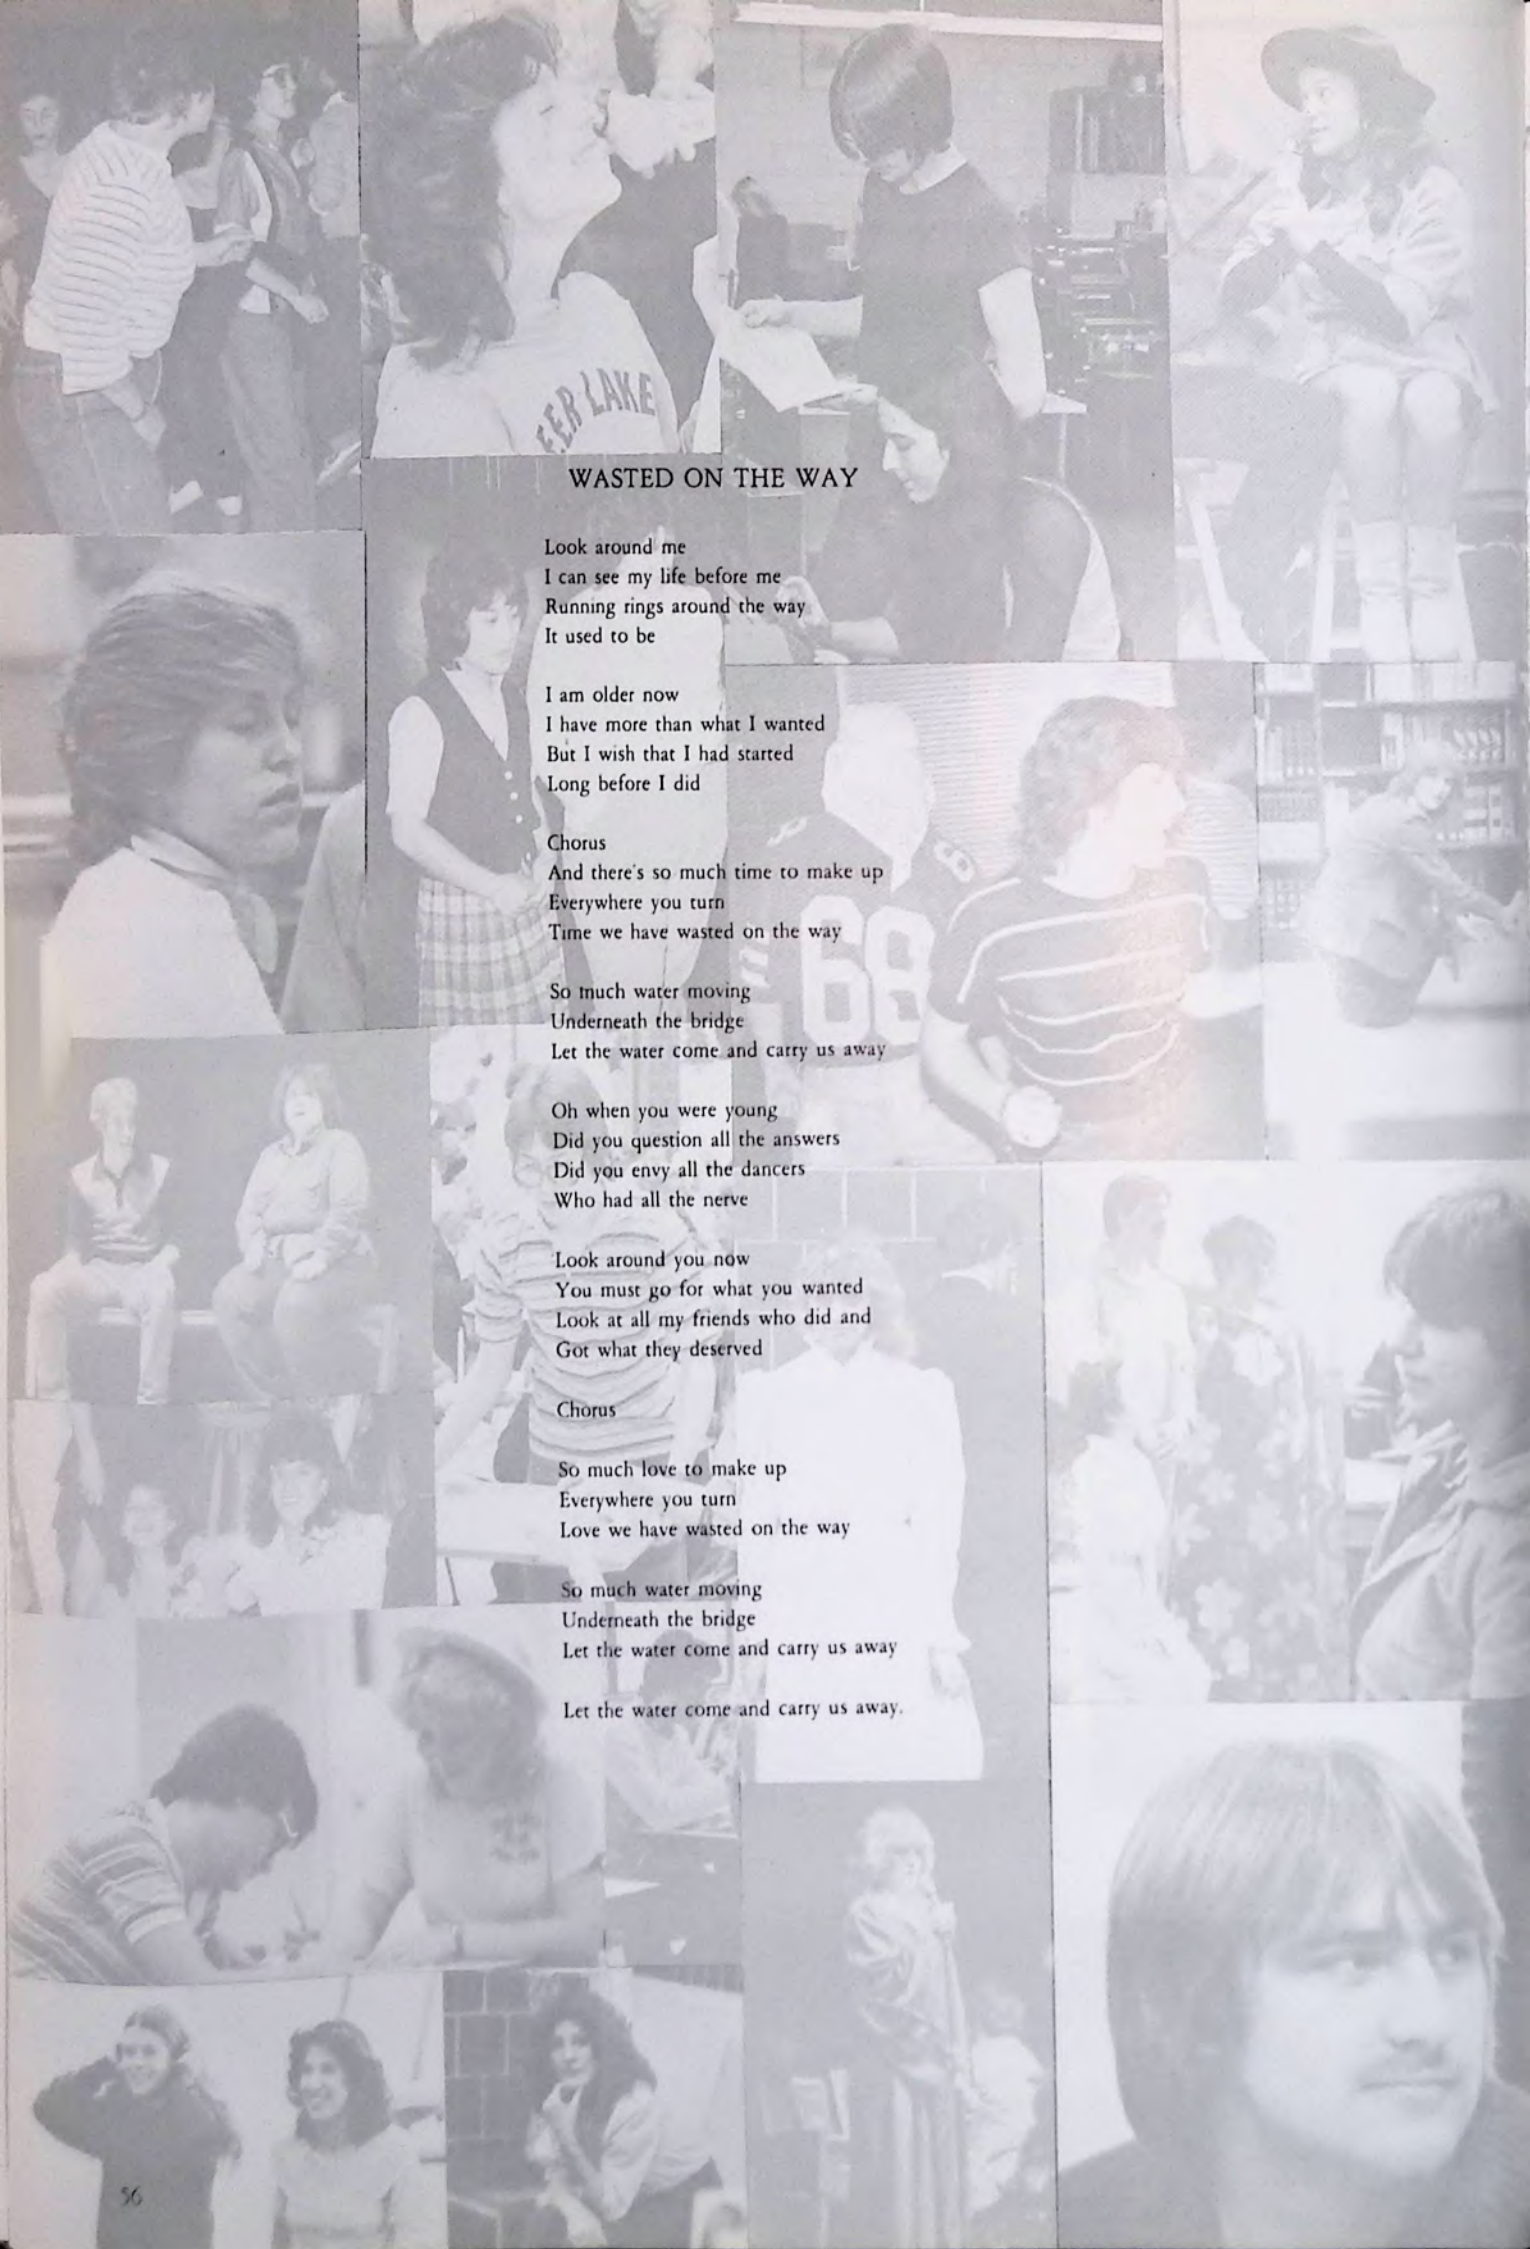
One step closer!

ALL SMILES!!!

Do I really get one??!!



WASTED ON THE WAY

Look around me
I can see my life before me
Running rings around the way
It used to be

I am older now
I have more than what I wanted
But I wish that I had started
Long before I did

Chorus
And there's so much time to make up
Everywhere you turn
Time we have wasted on the way

So much water moving
Underneath the bridge
Let the water come and carry us away

Oh when you were young
Did you question all the answers
Did you envy all the dancers
Who had all the nerve

Look around you now
You must go for what you wanted
Look at all my friends who did and
Got what they deserved

Chorus

So much love to make up
Everywhere you turn
Love we have wasted on the way

So much water moving
Underneath the bridge
Let the water come and carry us away

Let the water come and carry us away.

The Class of '84!

This year's Junior Class did only a few things, but those that were done, were done well and with pride! Their two major projects The Junior Class play and the '83 Junior-Senior Prom. The play, "Rally 'Round the Flag Boys" was the Juniors first try at stage performance and the prom was held on May 27, 1983 at Laube Hall. Its theme was "A Mid-Summer Night's Dream" and was based on Summer Romance.

We are proud to present the 8th Grade. When we were in 7th Grade we looked forward to "running" the school, but we ended up on the bottom. Even though we were set down, this year has been a good experience for us. And in four years we WILL be running the school.
